

Orientation Interview Project

NAME: _____ DATE: _____ AM/PM: _____

In order to complete and receive credit for this assignment, every item on the checklist must be checked and completed.

1. _____ Have all 20 questions completed. The first 1-10 questions and 10 more selected of the 20 provided by the person you're interviewing.
2. _____ Have at least 1 picture or video for each answer – 20 pieces of media in total. Try to get pictures from your partner from their phone using AirDrop or Google drive. If your partner doesn't have pictures, find examples on Google.
3. _____ You can also use Clipart or Vector art (cartoon)
4. _____ You can use graphics and transitions
5. _____ Save your completed files in your Master folder. All video, photo, and text files must be in your "Assets" folder
6. _____ You can use video clips by using the Quicktime app. It will NOT record audio
7. _____ The presentation must have music and/or sounds. It could be an artist the person you interviewed likes. If you want songs without lyrics, put "instrumental" in your search.
8. _____ The first slide is a picture of the person you interviewed with their name. You can get a picture of them off their phone or you will have to take a new one in class.
9. _____ Each picture or video needs a title on the slide with a description (do not add the question, just the answer)
10. _____ Each picture with text should be 5 seconds in length (100 seconds, or just under 2 minutes). For video clips, do not use a clip for more than 10 seconds.
11. _____ Use the "Sample" extension to record sound
12. _____ Export out your completed files as an MP4.
13. _____ Upload your completed video to Schoology.
