5. _____ Flattened and saved as a JPEG

PART TWO INSTRUCTIONS

1. _____ You need a MINIMUM of 5 images from your phone, NOT Google.
2. _____ They must also be school appropriate
3. _____ The image can be Horizontal OR Vertical
4. _____ You need to run a filter on each image using the filter gallery
5. _____ The filters should complement each other
6. _____ The image needs to be 8.5" x 11" @ 150 DPI
7. _____ The final Collage images need to have white space between them
8. _____ Flatten and save as a JPEG
9. _____ See the image to the right for an example

PART THREE INSTRUCTIONS

1. _____ Create a new document that's 8.5"x11" @ 150 DPI
2. _____ Download then paste all the files below to create your fruit bowl
3. _____ Use the selection tools covered in the lectures to take out the white backgrounds
4. _____ Organize the layers to place the images in front and behind one another
5. _____ Make sure the fruits are the correct sizes in comparison to one another
6. _____ Save your layered file (.PSD) to your Master Folder
7. _____ Flatten and save as a JPEG
8. _____ Upload to Schoology

PART FOUR INSTRUCTIONS

1. _____ Create a new document that's 8.5"x11" @ 150 DPI
2. _____ Download the shoe template to begin your design
3. _____ Come up with a theme for your shoe: sports, video games, outer space, movies, music, patterns, etc.
4. _____ Collect high-quality images from Google for your design
5. _____ Use the selection tools covered in the lectures to select the pieces within the shoe
6. _____ Paste your images into the shoe pieces to create your design
7. _____ Save your layered file (.PSD) to your Master Folder
8. _____ Flatten and save as a JPEG
9. _____ Upload to Schoology

PART FIVE INSTRUCTIONS

1. _____ Take a Selfie with your Smartphone. Be creative! The more interesting the picture the better the final product.
2. _____ Open Photoshop and set up a new document with the specs: 8"x 8" @ 150dpi. Then open your portrait image to create Andy Warhol effect and drag it into your new document. Make sure you create a folder and name it and your image properly.
3. _____ Duplicate layer. On duplicated layer, select background and delete it.
4. _____ Go to Image -> Adjustments -> Threshold (Threshold Level 135).
5. _____ Fill background with color of your choice. Andy Warhol used bright colors.
6. _____ Copy and paste each part of the head into a new layer and change the colors.
7. _____ Duplicate the image 4 times and fit the 4 images equally in your file. Make sure to change the colors to show variety. Save to your folder.
8. _____ Flatten, save as a JPEG
9. _____ Upload to Schoology

PART SIX INSTRUCTIONS

1. _____ Download the images below to begin your project
2. _____ Using the pen tool, take the images and remove them from their backgrounds
3. _____ Paste the new traced-out images and place them all in the 11"X17" document
4. _____ Save your layered file (.PSD) to your Master Folder
5. _____ Flatten and save as a JPEG
6. _____ Upload to Schoology
